Year 7 2019 High School Enrolment- Parent Information Session

Dear Parents/Carers

Due to this being your child's last year of primary school preparations are already being made to ensure the smooth transition of your child into High School in 2019.

At this time of the year high school enrolment forms are sent to primary schools for parents to complete and return. We appreciate that these forms can be difficult to complete and so we will be holding a Parent Information Session to explain the process for completing and submitting these forms to us.

When: Monday 26 February at 5:00pm in Mrs Stewart's room.

We will be distributing enrolment forms and explaining the process in which to complete them. Forms are due on Friday 9 March and it is imperative that these are returned to school on time to ensure that the process isn't held up and your child's chance of getting into their chosen school isn't compromised.

If you would like to attend this session could you please indicate on the RSVP. Parents who are unable to attend will be able to pick up their child's enrolment form from the school office as of Tuesday 27 February.

We look forward to meeting with you next Monday evening to discuss this important milestone in your child's life further.

Yours Sincerely,

Tamara Prout
Deputy Principal
