Denistone East Public School

Project update

November 2018

Investing in our schools

The NSW Government is spending \$6 billion over four years to deliver more than 170 new and upgraded schools. This includes an additional \$160 million in 2018/19 as part of the record \$747 million maintenance investment announced last year. This is the biggest investment in public school infrastructure in the history of NSW.

Denistone East Public School

A project is underway to upgrade Denistone East Public School. The project will include the provision of a new building featuring flexible learning spaces and special programs rooms, and a refurbishment of the existing administration building.

Progress summary

Early works have begun on site including the installation of fencing, commencement of excavation along with works on the administration building. Trucks will now be entering and exiting the site on a regular basis.

Work hours are as follows:

- 7am - 5pm weekdays
- 7am - 1pm Saturdays

We are here to make sure that work is completed safely and efficiently and we will minimise impacts on the community at every opportunity.

Next steps

Major works will commence in November, following approval of the development application.

The forecast project completion is in early 2020.

We will keep you updated and provide more information as the project progresses.

You can speak to us about this project using the contact details below.

Ethics classes at Denistone East Public School

Dear Parents and Carers,

Could you be an ethics teacher for Denistone East Public School?

Some of our current ethics teachers who are parent volunteers are moving on at the end of the year and we are seeking volunteers so that classes can continue next year.

Ethics teachers receive full training by Primary Ethics, the not-for-profit organisation approved to design curriculum and training for the ethics program. Training consists of a two day workshop and short online modules. Lesson materials are provided. Suitable volunteers have an interest in children's education and development of critical thinking skills and must be available at 9.25 am or 9.55am on Tuesday each week.

In ethics classes, children learn how to think logically, disagree respectfully and support their arguments with evidence, rather than act according to blind habit or peer pressure.

Children discuss topic such as:

- imagining how others feel
- how do we treat living things?
- what is laziness?
- how do we disagree in a respectful way?
- fairness

If you are looking for an opportunity to make a valuable contribution to our school, please visit www.primaryethics.com.au and/or contact Ms Swee Goh, Ryde Regional Manager via email ryde-region@primaryethics.com.au or phone 0418 480 833.

Save the date – Thursday 13 December – Teacher & Staff Appreciation Lunch

Thank you to all parents and caregivers that have sent in either monetary donations or offers to cook a dish for the Teacher & Staff Appreciation Lunch – it is greatly appreciated.

We will be hosting this lunch on **Thursday 13 December from 1:15pm** in the School Hall and welcome parents and caregivers to

The Cottage (2nd hand uniform shop)

Wednesday 12 December 2018 is our **last day** of opening for this year so please do come in to get that uniform that you need for your children. We will be opening from 9.20am-10.15am.

We would like to take this opportunity to thank Ming Cha for all her hard work in managing The Cottage for the P&C – she has done an amazing job & we are extremely appreciative for all her dedication.

From 2019 Ming will be handing over the management of The Cottage to Sal Piper, a lovely mother of 3. Please note that to accommodate this change in management the opening day will **no longer** be on fortnightly Wednesdays. At the moment, fortnightly Thursday mornings is the tentative day – however this will be confirmed in the first newsletter of 2019.

Sal is very much looking forward to next year and would like to encourage as many parents and caregivers to come along and volunteer to help her. More volunteers are needed for 2019 and all we ask is 30 mins of your time on Thursday mornings maybe once a month or more regularly if you can – whatever time you can offer will be appreciated.

Looking forward to seeing you on 12 December to close The Cottage trade for 2018 off with a bang!

Canteen

The final days of the 2018 school year are fast approaching please remember:

Year 6 & all other departing families please remember to use up all your account dollars on munch monitor as you cannot take it with you unless your next school has 'munchmonitor'. Please also remember to 'Delete' your account details if you are the 'final' family member leaving Denistone East.

We will be doing lunch & recess orders until Friday 14 December 2018 ONLY. The following week Monday 17 December to Wednesday 19 December we will be open only for lunchtime snacks ONLY.

We are going to be depleting our stocks in the next 2 weeks as we turn off our fridge & freezers over the holidays. Please be aware that some days your lunch order may not be available & will be replaced with something similar.

Volunteers

A huge Thank You to all our lovely volunteers who have worked very hard throughout 2018 to make sure all your children's lunches are made & snacks are enjoyed. May I take this opportunity to wish you all a very happy & safe Christmas and New Year.

As this is my last year at 'Denistone Canteen' I would like to thank everyone who has helped in any way donating your time over the years that I have been here. Without your help & support this canteen would cease to exist. I hope you all continue to support the canteen & school in the coming years.

PS: Don't forget to RSVP by this Friday 7 December for our annual canteen dinner.

Volunteer Roster

If you are able to help at the Canteen please call phone 9858 5286 and thank you for all our wonderful helpers.

Hosting has been one of the most rewarding and exciting experiences for our family. Romane, our student, was definitely one of the most kind and pleasant people we have met and right from the start was a perfect fit for our family. Being able to share this experience has had a positive effect on all of my young children.
