Tuesday 6 August	Kindergarten 2020 School Tour 12pm
Thursday 8 August	K-6 Acrobatic Social Skills School Hall
Saturday 10 August	Family Portraits
Sunday 11 August	Family Portraits

# Principal Report

## **Cheers to our students**

Well done to all for half a year's learning. Half yearly reports will be sent home this week. The reports provide information on the first semester of learning in key learning areas as well as information on learning behaviours. The reports will be followed up with learning conversations in term three that will focus on goals for the remainder of the year.

## **Building Update**

This week the administration block will move back to the newly extended and renovated building. The staff had a tour of the building on Monday afternoon and are very excited by the extra space and first class facilities. The new space includes a larger staff room and staff study area as well as meeting rooms and a larger administration area. The temporary office area will be restored to teaching spaces ready for occupation in term three. Our specialist support classes will move to the space once complete.

The new learning spaces that are under construction are on target for completion at the end of term 3 with a handover to school term 4. Some of stage three will relocate to the new block.

The pool tender will close soon and the builder will be announced and construction will commence.

## **Community**

Thank you to the parents who completed the survey at our recent meeting. We have collated responses and will use them to inform future workshops and information sessions.

I have followed up on a few current questions:

- I have requested that *The Music Partnership* offer a parent information session early in term 3. If you wish to contact the program director please email [alexbieri@musicpartnership.com.au](mailto:alexbieri@musicpartnership.com.au) or check out the Facebook page [www.facebook.com/MusicPartnership](https://www.facebook.com/MusicPartnership)
- Casual teachers are employed when a teacher is absent either for personal reasons or on school business via ClassCover a service endorsed by the Department of Education. All teachers are qualified and meet mandatory requirements. If a teacher is going to be away for an extended period due to illness, accident, long service or other personal reasons a long term casual will be employed and the students and families informed. Casuals who are booked for blocks (longer assignments) are selected from a school list.
- Unwell Children- students who present to the office unwell will be assessed and in most instances parents will be called and the child will be sent home. All head or eye injuries will also require the child to be collected and taken home or for further medical attention. Whilst the staff have first aid training, we are not medically trained and believe the best assessments are made by doctors and the best care when unwell is delivered at home.

# Principal Report

- Uniform - The school uniform shop Golden Leaf is currently sourcing a new navy sport legging for the girls to wear instead of the track pant. The girls have reported the track pants are not comfortable and they are not able to play sport in them. Like any new uniform addition the change over time is gradual with the items available to purchase but not compulsory. The uniform has not been changed, additional items have been added to the uniform choice to meet gender equity requirements (as per DEC policy), trousers and skorts for the girls. The navy tights and socks have been introduced as they are easier to source than the grey. The school request parents support the wearing of school uniform. School uniform is important as it creates connection, community and cohesion.
- Canteen- the P&C subcommittee has employed a new canteen manager and concerns raised have been highlighted. Volunteers to assist in the canteen are always welcome.

The new office foyer once open will see the return of the question and feedback box- this will provide an opportunity for parents to ask questions and provide feedback.

In addition to Skoolbag and the website, the school executive is exploring the possibility of creating a parent portal to provide class and stage based information about learning and school based activities. We will be seeking input about the portal next term.

Thank you to the parents who have sent the feedback emails about the sports carnival and the excursions and activities their children have been involved this year. It is great to hear that the students are learning and enjoying the opportunities the school is providing.

Wednesday coffee cart at Lovell Rd entrance and library open for parent borrowing. A great opportunity to grab a book to share with your child or look at our growing range of parent resources. We are also currently refreshing our bilingual library with the help of our Mandarin and Korean community language teachers. As Denistone East has 37 cultures represented we would welcome parents from all cultural backgrounds to assist with the location and selection of children's literature from a range of language backgrounds.

A reminder to have a look at City of Ryde traffic study reports. The reports are available through the council's website. [www.ryde.nsw.gov.au/haveyoursay](http://www.ryde.nsw.gov.au/haveyoursay). There are a number of changes suggested for both the short and the long term to improve student safety. Please have a good look at the report and provide comment to City of Ryde.

Also check City of Ryde website for a range of fun school holiday activities. <https://ryde.nsw.gov.au/> and for a broader range of great ideas <https://www.sydney.com/things-to-do/family-holidays/school-holidays>  
<https://kidbucketlist.com.au/2019/06/07/the-complete-guide-to-sydney-school-holiday-activities/>

# Principal Report

## Learning

Science has been front and centre of learning in the last two weeks. Year One and Year Two participated in exciting science with a visit from *Scienza Viva- Food Chemistry Workshop*. Kitchen chemistry, as they mixed interesting brews of common household items to watch basic chemical reactions take place. Ask them to demonstrate with you at home.

Stage Two had an amazing opportunity to view the planets with a visit from planetarium. The mobile planetarium provided an opportunity to explore space from a school base. The students enjoyed their space travel and the teachers have requested a rebooking for future years.

Tuesday we hosted the Multicultural Public Speaking Competition finals, outcomes will be advised in the week two newsletter. Thank you to Mrs Jo Tanner for her organisation.

The Maths Olympiad continues with our budding mathematicians being stretched and enriched with problem solving, formula exploration and thinking outside the square!

*The function of education is to teach one to think intensively and to think critically. Intelligence plus character - that is the goal of true education. Martin Luther King, Jr.*

## ENROL NOW FOR KINDERGARTEN 2020

Denistone East Public School  
Kindergarten Orientation Program

At Denistone East Public School we are keen to provide you and your child moving into Kindergarten in 2020 with a positive start to primary school.

PLEASE ENROL NOW TO ENSURE A SMOOTH TRANSITION FOR YOUR CHILD.

### School Tours

Bookings are essential for all school tours.  
Please ring our school administration office  
9874 6678.

Tour 1 – Monday 27 May 2019 12pm  
Tour 2 – Thursday 27 June 2019 12pm  
Tour 3 – Wednesday 24 July 2019 12pm  
Tour 4 – Tuesday 6 August 2019 12pm

### ORIENTATION SESSIONS

Parents/carers can book their child into sessions through our administration office on 98746678.

For these sessions your child will attend a Kindergarten classroom where they will engage in a variety of activities including art/craft, stories, games etc. We would encourage each child to attend at least one session and ideally all four sessions.

Parent information sessions will be run at the same time, in the school hall.

THURSDAY 24 OCTOBER  
10-11 am

Parent Information Session:  
Readiness for School Focus

Parents will be given information about School/Preschool/Home partnerships, Child Independence & School Readiness including tips for helping you child at home in preparation for starting school.

THURSDAY 31 OCTOBER  
10-11 am

Parent Information Session:  
Literacy & Numeracy Focus

Parents will be given information about how Literacy and Numeracy skills develop in Kindergarten. This hands on/interactive session will include literacy/numeracy activities.

THURSDAY 7 NOVEMBER  
10-11 am

Parent Information Session:  
Well-being Focus

Parents will be given information about student well-being and how they can work in partnership with the school to cater for their child's individual needs.

THURSDAY 14 NOVEMBER  
10-11 am

Parent Session:  
Welcome Morning Tea

This is an informal session. Morning tea hosted by 2019 Kindergarten Parents. A chance to chat about the Kindergarten year and an opportunity to ask questions.

## SAFE, RESPECTFUL LEARNERS.

For further information and to book a school tour please contact the school office on 98746678

# School Initiatives

## Traffic Update

**We are re-establishing the Denistone East Public School Traffic Committee, and we need YOU!**

In the past, DEPS has had an active, inclusive and involved traffic committee, and we are coming back!

The committee's role is to improve the road safety standards in our school zone by working with the school, RTA & Council to improve the physical environment as well as by educating the school community about safe road practices.

We will be a group of parents who represent our diverse Denistone East community. We will meet once a month for coffee and work together to improve road safety for the benefit of all our children.

There will be a variety of ways in which you can help out, so if you have any time to contribute, or would like to send some suggestions to be considered by the committee, please email [depstraffic@gmail.com](mailto:depstraffic@gmail.com)

We will also appreciate speakers of Korean, Chinese, or other languages who can help with multilingual communication.

## This week's traffic resource:

The [Safety Town website](#).

This website has some activities that parents can do with their children to educate them about road safety. And it's always good for us to have a little reminder too! This week's resource comes from Safety Town:

[Driving and parking near schools](#) 

# School Initiatives

The beginning and end of the school day are busy times for pedestrians and vehicles outside schools. Parking signs are planned with your child's safety in mind.

It is helpful for everyone if you park safely, even if you have to walk further to the school gate. **This is a good time to model positive road safety behaviour and physical activity for your child.**

Slow down near any crossings around the school. At a supervised crossing, follow the directions of the school crossing supervisor. Crossing supervisors manage traffic to help primary school children use the crossings on roads near and outside of schools.

Drop your child off and pick them up on the school side of the road. Calling out to them from across the road is dangerous – they may run to you without checking for traffic. This will help keep all children as safe as possible during the busiest times of the school day.

**You should always:**

**park legally**

**avoid dangerous manoeuvres such as U-turns and three-point turns**

**give way to pedestrians, particularly when entering or exiting driveways**

**avoid using the school car park or driveway**

**avoid parking in the school bus bay**

**make sure your child uses the Safety Door (rear kerb-side door) to get in and out of the car.**

**Dangerous driving behaviour around schools puts children at risk.**

**Model safe and considerate behaviour for your child – they will learn from you.**

# Student News

## **Stage 2 Planetarium Reviews**

What an amazing Planetarium show! The entrance was epic. We had to squeeze inside a tunnel to enter the Planetarium. We were then inside an enormous bubble with could fit two classes plus the teachers. My favourite thing we learnt about was space. We saw the stars, planets, the Milky Way and the whole Galaxy. We learnt lots of new facts. We even watched a movie called TILT which about the seasons on Earth. It was really funny and creative. I hope Gary from the Planetarium comes back again with more exciting movies and facts to share.

By Jason (S2 Lester)

The thing I liked most about the Planetarium was looking at all the Galaxies, Milky Way and Planets which were shown on the wall and roof of the Planetarium. I also liked walking in and out of the Planetarium, because it was so dark and we had to squeeze through a small opening. It was a wonderful experience.

By Rian (S2 Blyton)

Last Monday we went to the Planetarium. It was really fun because the doorway was squishy and you could lay down inside and look up at all the planets on the roof. We learned about how the seasons work and approximately how many Galaxies are in the universe. I'd love to do it again in the future!

By Ashwin (S2 Blyton)

On Monday of Week 10 Stage 2 were visited by the Planetarium dome. We learnt a lot about space. We found out that we all live in the Milky Way and that Pluto is no longer a planet. We learnt about how the tilt of Earth creates the seasons. We discovered that star constellations were created by joining stars together like a dot-to-dot to make pictures such as The Scorpion and The Hunter (Orion). We really enjoyed our visit from the Planetarium.

Vanessa (S2 Dahl) and James (S2 Seuss)

# P&C News

## **P&C Meeting – Wednesday 31 July (location tbc)**

Please note there will be a P&C Meeting on Wednesday 31 July to nominate and vote in new office bearers due to the recent resignation of current President, both Vice Presidents and Secretary.

## **Family Portraits**

Is it time to update your family photos? We have appointments available for our lovely Family Portrait Fundraiser event on Saturday 10 and Sunday 11 August.

Saturday 10 August – Outdoor Portraits on our school grounds – studio white backdrop a backup for weather restrictions.

Sunday 11 August – White pop-up studio @ our school

\$20 & receive a 10X13" FRAMED FAMILY PORTRAIT (valued at \$90) by Laura Jean

Book at [www.trybooking.com/520140](http://www.trybooking.com/520140)

## **Canteen News**

Please make welcome our new Canteen Manager Elaine Bowen. Elaine comes to us with extensive experience in the food industry and school canteens. Please drop in and say hello.

The canteen will be closed for cleaning this Friday. It will open at recess and lunch for over the counter snack sales only. No lunch orders.

Thank you to our canteen staff and volunteers for all their hard work this term. Wishing everyone a safe and enjoyable holiday.
