### **Principal Report**

Congratulations to all for an amazing start to the 2020 school year. The children are all in their new classes and learning has commenced. Together, as a community of students, parents and staff we look forward to working in partnership in providing a high-quality educational experience at Denistone East that develops our students, academically, emotionally, socially and physically. An environment that ignites creativity, curiosity and collaboration.

A big thank you to both the teaching staff and the administration staff for giving much of their time in the holidays to prepare for a smooth start to the school year.

A very warm welcome to all our new families.

I hope the school holidays provided you all with an opportunity to spend time with you children relaxing and making memories.

#### **Cheers to our students**

A big cheer to all our students for settling into new learning spaces and welcoming new class members.

A belated cheers to Allen from Stage One 2019. Allen was part of the Macquarie University's Boomtown Build science exhibition. He received an Innovative Programming Award. A highlight for Allen was meeting former LEGO CEO Jorgen Vig Knudstorp.

I am looking forward to sharing more stories of student success this year. It makes me very proud that many students pursue their passions both in school and outside!

#### Community

Thank you to the P&C for organising a lovely lunch for the staff's first day back last week. We had a very busy day of professional learning that included practical workshops in creative arts. I would also like to thank the community for supporting the school and each other as we navigate the

concerns around Novel coronavirus. I understand the virus has created much anxiety in the community. The school will continue to communicate and follow Ministry of Health advice. We have been checking in with our families who are still at home and looking forward to everyone returning to school. Please do not hesitate to make contact if you have any concerns or require information.

Meet the teacher evening is scheduled for Monday 10 February (Week 3). Details for each year group will be provided. This evening is an opportunity to visit your child's learning space, meet their teacher and here about the term ahead. If you have specific information you wish to share with your child's teacher please make a separate time to discuss.

#### Learning

Learning has begun in all classrooms. Teachers are using this first week to build relationships with the students, get to know their strengths, assess their abilities, what they like and how they work in their new class.

I have also put together a short student information questionnaire (a paper copy will go home with every student on Monday 10 February) – this will help the classroom teacher get to know your child. I ask you complete it for each child and return it to their teacher. A few parents have provided this information and it is so valuable that I felt it would be worth collecting from everyone.

A reminder that the swimming carnival is Thursday 13 February at Ryde Aquatic Centre. Notes have gone home to the relevant stages who are participating.

#### Staff

Denistone East Public School is a big busy school and each year we welcome new staff. Some are appointed in a permanent role, others join us to fill vacancies for staff who are on leave, in other roles or working part–time. This year the following new staff have joined our wonderful teaching staff.

Kindergarten: Miss Yue Zhu Stage One: Miss Zoe Pardey Stage Two: Mrs Marcella Mura, Mr Steven Zapevalov, Mrs Choy Williamson Stage Three: Mr Tahnee Whitfield

Congratulations to Ms Lindley and Ms McPherson on your appointment as permanent teacher at Denistone East.

Congratulations to Mrs Keryn Simpson and her husband, Tim on the safe arrival of their son Nash, and to Mrs Sarah Stuart and her husband, Ryan on the safe arrival of their daughter Penny. Following is a list of all the staff at Denistone East and the School Map.

#### Health

I write to inform you that a student in our school has recently completed treatment which results in a lowered immune system (bone marrow transplant), which means, the student is more prone to getting ill from infections. As the student is not contagious but has a chronic illness, it is important he/she participates actively in the day to day school program without any major limitations. A major concern is that if this student develops measles, chickenpox, whooping cough or influenza, he/she could become seriously ill. I seek your cooperation in preventing this situation.

If your child has or may have measles, chicken pox or other infectious illness, I would ask that you please:

- 1 Do not send them to school.
- 2 Notify the School Principal as soon as possible.
- 3 Take them to your GP or medical centre to confirm diagnosis if possible.

Thanking you in anticipation.

My first day of school

Food of thought – Hints to make the start of the school year smooth for all. Your child might need some support when school starts. There are some simple things you can do to help these first few weeks go smoothly:

- Try to drop off your child at school before the bell goes in the morning. Also pick your child up on time. If you're late it could make your child feel very anxious.
- Try to make after-school time a bit special, with a snack and time for the two of you to chat.
- Be patient if your child wants to blurt out every little detail about school, or clams up completely. You could try saying something like, 'Tell me one good thing about your day', rather than asking lots of questions.
- Try to be flexible with snacks and meals. Your child will probably be very hungry after school. If you give her a small, healthy snack straight after school, it'll help to keep her going until dinner.
- Don't expect too much academic progress too soon. If your child is happy and seems to be enjoying school, that's a real achievement. The rest will come later.
- Remember that it's normal for children to play with lots of different children, and even to play on their own sometimes. It takes a while before they settle into a group of friends.
- Some children might be tired after school for the first few weeks. Other children might still have the energy for after-school activities. Depending on your child's energy levels after school, you might want to let your child rest and play at home for a few weeks until you think he's ready for playdates and after-school activities.

Adequate sleep is vital for school – it's essential for good behaviour and for concentration. The early days of school can also be exhausting, so good sleep habits are key and should be started in the weeks before school.

#### Stage 3 - Wellbeing Workshop days

On Wednesday 12 February all Stage 3 students will be involved in a half day Wellbeing Workshop run by Relationships Australia's *Ready for Life, Ready for Success* team.

It will be an exciting program of structured, creative and interactive activities with trained facilitators. It is designed to provide education, mentoring and support for our Stage 3 students around 3 main protective factors:

#### **Breaking News on Denistone East Grounds**

Denistone East Public School has been successful in their application for a grant in the Local Schools Community Fund to upgrade the school grounds. We wish to thank the Department of Education and the Mr John Alexander OAM, MP and the school for this opportunity. A huge thank you to Tammy Scharenguivel, Raelene Palazzolo, Anne-Marie Learmonth, Hayley Smith and school teachers who contributed to the plans, for without their hard work the application would not have been possible. A huge thank you to the Denistone East P&C for their support on this initiative by committing further funds which will allow the vision of the project to be built this year.

Plans are in place for the design and construction of a sensory and edible garden for the school and wider community, the design including a chicken coop and chickens. The edible garden has raised veggie beds which have already been built over the school holidays, soon to be available for the children to start planting in term time. The sensory garden will be constructed near the back oval on the Henderson Street side of the school.

Due to the hot and dry conditions the sensory garden will include irrigation to minimise water loss as well as a water tank, and will be started in cooler weather with dates to be confirmed. Nicole Marchhart - Grounds Committee (2019)

#### **President's Message**

Welcome back to all parents in 2020! It hasn't been an easy start to the year with the difficulties of bushfire and coronavirus. However, I hope that all parents and children will feel settled in the coming days due to all the effort and support provided by our school. A big note of appreciation to our school staff who are persevering with us all through this trying time! Please remember to extend our gratitude to teachers and staff members when you see them at school!

In 2020, there will be a lot happening at P&C with many planned changes to come in near future, and there will be more details on these later; however, I would like to assure you that they are all positive changes. The committee extends an invitation to all parents to our first P&C meeting that will be held on **19<sup>th</sup> February 7pm**. We plan to share many exciting initiatives that will benefit our school, community, and children. So, please join us!

If you would like to become a financial member of P&C that can cast a vote on motions, please also come and join us. A gold coin contribution is all it takes for you to become a financial member of 2020.

I would also like to take the opportunity and **welcome Lisa Wong** to P&C serving in our canteen team providing food services to DEPS students. Lisa brings new energy and a strong commitment to our dedicated canteen team, with a keen focus on supporting people and our school. Congratulations and welcome Lisa! Also, in another change to our canteen team, we thank and bid **farewell to Angela Blasonato** as Canteen

Assistant. Thank you Angela for the great support in 2019, we cherish the time and collaborative spirit that you spent with us. Best wishes Angela!

#### **Further Update of Teachers & Staff Appreciation Lunch**

The 2019 End of Year Teachers & Staff Appreciation Lunch was a great success thanks to all the parents and caregivers who contributed money or food. Your generosity is deeply appreciated! Both teacher and staff have given wonderful feedback. A big shout out to star parent, Mabelle Doueihi, who provided catering of fabulous Lebanese cuisine as the main lunch theme.

Please click link below of images for anyone missed out on that day!

https://drive.google.com/drive/folders/1hwczrWVt1LloO-ZNYIbEfMjqxTuxT6gC?usp=sharing

Fiscally, the money contribution was over \$3,800.00 and after deducting the spent of appreciation lunch, there is about one third of contribution remaining. Half of this has been recently contributed to the Teacher's Development day catering provided by our canteen, which helps our teacher to focus on the other important school matters rather than lunch. After this spend, the balance of \$769.00 will be retained for use in any future teacher activities as a display our continual appreciation to our school.

The role of the class parent is to compile a class contact list for distribution to other parents in the class and assist the P&C in forwarding communications to families. We estimate this role requires less than 1 hour per term. However, some classes may require an extra hour per term as some class teachers may request their class parent to assist in creating rosters for in-classroom help, for example: in Kindy classes.

Please note that the class contact list is provided primarily to allow families to contact each other for social purposes such as birthday parties, play dates, or class get together. It may also be used to organise non-educational school activities like class parties, group gifts for teachers etc. Taking part in the class lists is completely optional, but it is a great way to communicate with your children's class mates and their families. It is important to contact the school directly for any school related matters, this includes any matters involving other students, please do not approach other parents or children for non-social purposes. We would also like to take this opportunity to remind families that the purpose of the parent contact list is to assist in building stronger community bonds, it is not to be used to share political or religious opinions nor is it to be used for business purposes.

Please complete the Expression of Interest (EOI) form by Sunday 9<sup>th</sup> February if you would like to become a Class Parent: <u>https://forms.gle/fQ5cFwJQu89yxt7C7</u>

Alternatively, please email Ming Cha at <u>depssec@gmail.com</u> with subject **Class Parent 2020** including the following information:-

- 1. Name:
- 2. Email address:
- 3. Contact number:
- 4. Class:
- 5. Child's name :

To avoid confusion, the Class Parent role is only to be arranged through P&C and the final selection is made by each class teacher should there is more than one EOI.

#### **Traffic and Road Safety**

Welcome back to all our existing families and a warm welcome to our new families at Denistone East Public School. It's wonderful to see that Colin, our new crossing supervisor, has joined our community!

Over the next few weeks and months, you will be hearing more from the Road Safety Team about some of the initiatives we discussed at the end of last year.

Our goal is to foster a culture at our school where we all take a proactive approach in keeping our children safe on the roads - walking, in the car, on bikes, etc. Every family is invited to get in touch with us about your concerns and ideas you have for improving safety and encouraging positive behaviours.

For now, I invite you to please take a look at the following great sites to get familiar with road safety around school zones:

#### CHESS!!

03 February 2020

Learn to be a chess champion! Coaching for students at Denistone East Public School is held on:

Intermediate: Mondays from 1:30pm to 2:10pm, starting on 10 February 2020

Beginner/Rookie: Mondays from 1:30pm to 2:10pm, starting on 10 February 2020

Learning and playing chess helps children develop their logical thinking and problem solving skills, improves their concentration and focus, while also being a great source of enjoyment. Activities include group lessons on a demonstration chess board or interactive whiteboard, puzzle solving and fun practice games.

Students earn merit awards by making checkmates, or by displaying skills and positive qualities, which all good chess players strive to develop.

If your child is interested in taking part, you can collect an enrolment form from the school office, or email <u>enrol@sydneyacademyofchess.com.au</u> for a copy. For all enquiries, please contact Sydney Academy of Chess on (02) 9745 1170.
