From the Principal

Happy week 6!

A big thank you to outgoing P&C President Eunjee, Secretary Andrew, Canteen Coordinator Amy, Music Coordinator Andrew and longstanding executive and events coordinator Ming. You have all made an amazing contribution to the school and your commitment is valued. I would like to personally acknowledge the work of Andrew Wong, as our music coordinator; Andrew has worked tirelessly to provide a music program at Denistone East for several years which has allowed many students to begin a lifelong interest in music.

Congratulations to the newly elected committee;

Vice Presidents: Loi Tran and Damian Jeffree

Treasurer: Dennis Koh - continuing

Secretary: Maggie Zhang

Executive: Kate Spall, Tom Lee, Eunice Choe, Sean Dessaix, Lina Geng and Linda Liu

The president's position remains unfilled. Our next P&C meeting will be Wednesday evening, week 4 Term One 2023.

Executive planning this week included drafting 2023 classes and finalising staffing for 2023. Staff and class information will be provided on return to school in 2023. Changes can and do occur during the holiday period which prevents me finalising and publishing these details this year.

At this stage we have 7 Kindergarten classes, 5 Year One, 5 Year Two, 10 stage Two classes and 7 stage Three classes. Classroom teachers will be supported by specialist learning and support teachers and English as a second language or dialect teachers. Community language classes will continue to be provided in Mandarin and Korean.

I would like to take this opportunity to welcome to permanent staff Miss Bahar Jalili (Stage 3 classroom teacher) and Miss Tanya Musik (school counsellor). Congratulations to both on your permanent appointment.

Several staff will continue or commence their maternity leave in 2023 and temporary appointments will be arranged to fill their roles.

Yesterday the Youth Liaison Officers from Ryde Local Area command visited the school in response to concerns about unsafe internet behaviours. They will be visiting the school this term to talk to the Stage 3 students and address specific concerns with the group. They have requested I remind parents to remain vigilant at home and ensure all online use is monitored and access is restricted to age-appropriate sites.

<https://www.safewise.com/au/internet-safety-kids/>

<https://www.esafety.gov.au/parents/issues-and-advice/online-safety-basics>

The police also said that there has been an increase in break-ins in the local area both when people are out and at night when people are home in bed. A reminder to lock doors and lock cars as most break ins are opportunistic with thieves looking for easy unsecured properties and vehicles. Much of this crime is being committed by young people. Ryde Local Area Command have a great Facebook page that keeps up to date with local activity. <https://www.facebook.com/RydePAC/>

Teachers are all very busy completing semester two reports, the reports will be ready to go home in Week 10.

A reminder if you are finishing the school year early, or returning late, to apply for leave. This allows me to authorise the leave and so it does not appear as an unexplained absence on attendance.

Covid 19 is in the school and local community and we need to remain vigilant to minimise the impact at school. Please continue to test and monitor for symptoms. Children who are unwell should remain at home. Students presenting at school with temperatures, conjunctivitis, gastric or vomiting will be sent home. Please continue to report positive RAT and PCR tests to the school and NSW Health.

Looking forward to the next few weeks of school which will include selecting new student school leaders for 2023, Stage presentation assemblies to celebrate learning, and all the fun things that acknowledge the hard work of students and staff in 2022.

Music News

New music coordinators

I'm delighted to announce we have two new music coordinators, Linda Liu and Andrew Wool!

Linda has two boys in the bands and will be taking over as the main P&C Music Coordinator over the remainder of the term and onwards. Andrew's son will be joining strings next year, so he will likely be helping to coordinate the string ensembles.

Many thanks to both Linda and Andrew for taking up this responsibility! It has been my pleasure to help with the running of the music program at DEPS over the past six years and I'm confident it is in good hands.

Road Safety News

NO STOPPING - AT ALL TIMES - It's not hard

No Stopping Zones on Brabyn are in place for **SAFETY REASONS**

NO STOPPING, NO PARKING, NO WAITING, NO SITTING IDLE, NOT IN ANY WAY, AT ANYTIME.

NOT before school, NOT during school, NOT after school, NOT 7am, NOT 8am, NOT 4pm, NOT 5pm, NOT even 6pm, NOT when it rains, NOT when it pours, NOT if it boils, NOT if it's busy, NOT it's quiet, NOT for "Just two seconds"!!

Stopping/parking in this zone is DANGEROUS and IRRESPONSIBLE. It blocks the view of the crossing and impacts passageway for other vehicles.

DO NOT STOP/PARK/WAIT IN NO STOPPING ZONES - it's not that hard.

Or don't follow the rules and cop a \$349 fine and 2 dermit points, or worse if there's an accident – it's up to you...

CHOOSE SAFETY OVER CONVENIENCE

Updates from the Ryde Council

Ryde Council has provided an updated on a couple of initiatives in the traffic management space.

- A traffic study was recently completed into the current use of Boronia Lane, as an outcome, a recommendation to convert Boronia Lane to one-way from Lovell Road and create a 10km/h shared zone between Lovell Road and Brabyn Street will be put forward for community consultation early 2023.

- The council will be replacing both boom gates with locking swing gates on Brabyn Street and will construct a new turnaround facility at the Boronia Lane end of Brabyn Street. This will allow standard vehicles to turn around while the gates are closed. They are aiming to commence construction in January 2023.
